Employees from the office will relocate to other area driver license offices to continue offering excellent customer service.

"We appreciate the growing partnership that we share with Palm Beach County Tax Collector Ann Gannon," said Division of Driver Licenses Director Sandra Lambert. "Her willingness to assist customers with excellent service will ensure motorists are provided the best possible service at numerous locations throughout the county."

The Department encourages customers to skip the trip and conduct their driver license business online, where various services are available. Customers can renew driver licenses, identification cards and vehicle tags, and change an address on their license or identification card from the comfort of their own home or at work by logging on to www.GoRenew.com.

Florida now requires additional documents to obtain a new or renewed driver license or identification card. Prepare for your next visit by bringing documents to show proof of 1) identification, 2) Social Security number and 3) residential address (two items). Customers who have legally changed their names must bring additional documentation. To find out exactly what you need to bring with you, visit www.GatherGoGet.com.
